

Life Stories user manual

The Life Stories page is divided into two sections: navigation (left) and media (right)

Search a multimedia

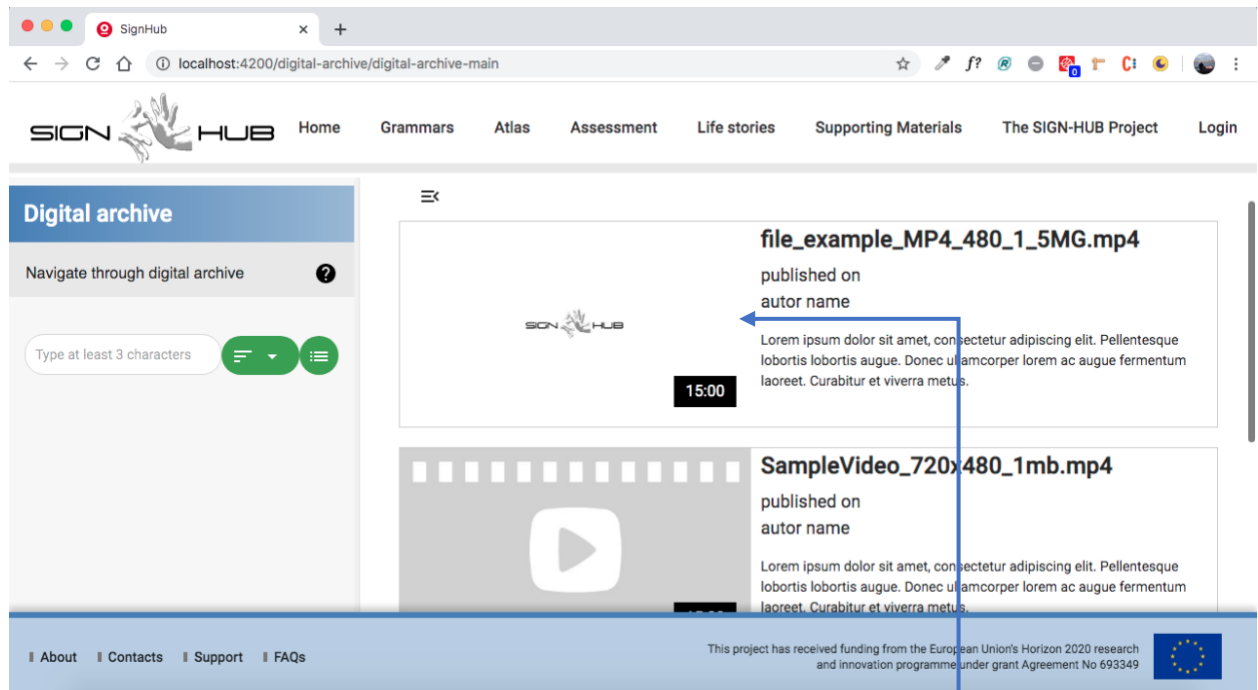

The navigation section consists of a search bar with a search text box and a search button.

Files can be searched by any item in the metadata file including: language name (DGS, LSF, etc.), keywords (War, Deaf Identity, etc.), subtitling language (e.g., Dutch, Italian, etc.).

The search is performed by typing directly in the search bar. The results can be sorted either by name (i.e., alphabetic order) or by date of creation using the button located to the right of the search bar.

Split view mode

The user can click on the button  positioned next to the search bar for the split-view. The view will be as follow:

Click on media

The user can click on the media on the right for opening it. The view will be as follows:
