Grammars user manual
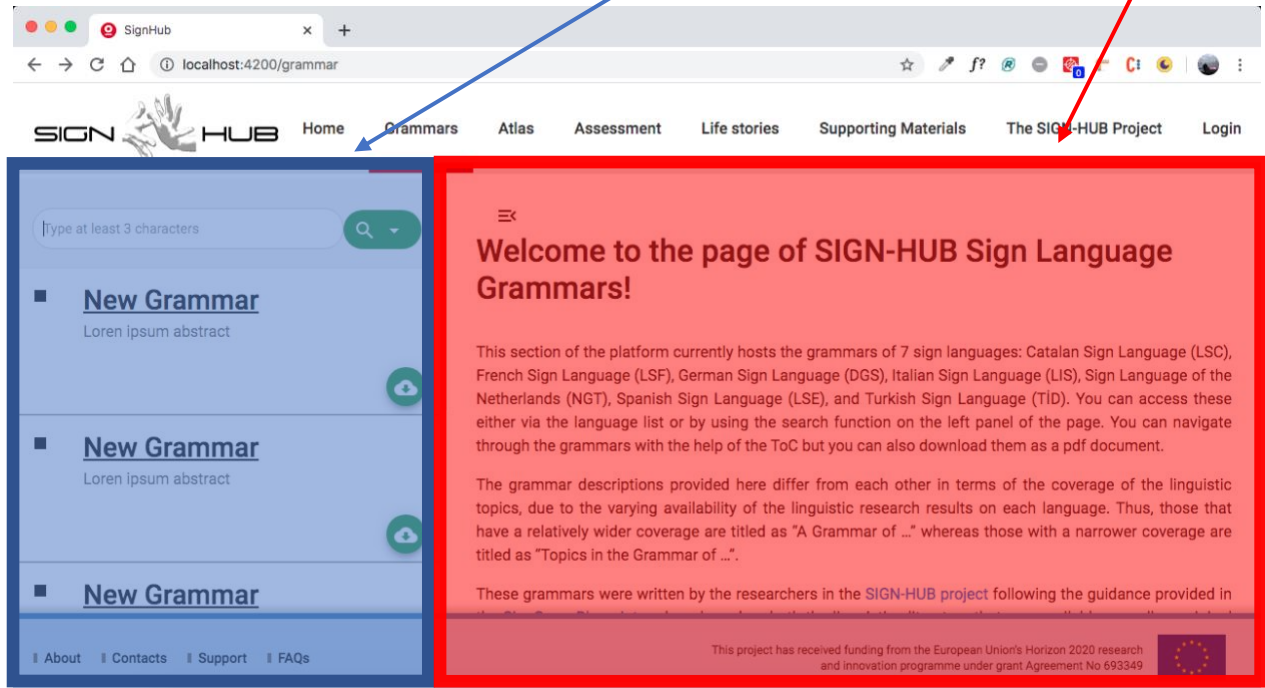

The Grammars page is divided into two sections: the navigation section (left) and the intro page (right).

It is possible to hide/restore the navigation section by clicking on the ☰ button in the intro page.

Search a Grammar

The navigation section consists of a search bar with a search text box and a search button, and a list of all the Grammars listed below the search bar.

In the search text box, the user can enter the title of the grammar, or the full name or the acronym of the sign language the grammar of which s/he is looking for.

Examples:
Title of the grammar: A Grammar of German Sign Language (DGS)
Full name of the sign language: German Sign Language
Acronym of the sign language: DGS

Download a grammar

The user can download the grammar in PDF format by clicking on the button 🔵 positioned next to each grammar title.

Selection of Grammars

The user can click on a grammar in the navigation area and will be directed to the grammar content page.

The navigation area contains a collapsible table of contents of the grammar which the user can use to access the different sections of the grammar. The table of contents can also be filtered by using the search bar positioned on the top of the navigation area.
To maximize the reading area, the user can hide/restore the navigation area by clicking on the ≡< button on the top of the reading area.
